Sub: Online teaching for Class-XI & XII students, as per syllabus prescribed by
CHSE, Odisha.

Madam/Sir,

I would like to inform you that, the COVID-19 Pandemic situation may continue for several days in our state. The studies of the students of Class-XI & XII may hamper as regular schooling process is disrupted due to COVID-19 Pandemic. In this context, we have to explore alternate methods of learning, instead of chalk & talk method without breaking the rules and advisories, suggested for the situation.

Hence, you are requested to identify such types of alternate methods for learning of the students for class-XI & XII. Please instruct your subject faculties to make whatsapp groups of their students and deliver their lessons through the app, followed by doubt clearing once in a fortnight. Please instruct your faculties to search different links and provide them to the students to get relevant topics in Youtube, byjus class, Khan Academy etc., so that the students can be able for self-studies during this situation.

You should instruct your faculties to keep the records of their works for verification whenever necessary. You are requested to verify them and to submit monthly report from your Higher Secondary School regarding the online classes taken as such to this Directorate, for further action at this level.

This will be treated as Most Urgent.

Yours faithfully,
