## A REPORT ON ADD ON COURSE ON DIPLOMA IN ELEMENTARY EDUCATION (SWAYAM) – 2021-22

- A short course on Diploma in Elementary Education has been provided to the students from SWAYAM portal as a MOOCs course in the year 2021-22

### Objectives of the Course:

1. To enable the students to understand and address diversity and familiarise them with appropriate teaching process.
2. To sensitise students to contribute towards safeguarding child's right to education.
3. To facilitate students to develop leadership and problem-solving skills.
4. To develop capacity in student to promote child friendly and child centred teaching learning processes in school.

The classes of this course are self-paced of 24 weeks duration. A total number of 15 students will be benefited from the course.

### COURSE OUTCOME:

The course was mainly intended to improve necessary knowledge, pedagogic skill and positive predisposition required to be an effective teacher. The programme was successful in achieving following outcomes:

1. To nurture the learning style of students by exploiting ICT , work education , visual arts and performing arts as tools of pedagogy.
2. To develop the aptitude to communicate, demonstrate and practice for the effective delivery of curriculum.
3. To encourage creative and independent thinking and enable them to construct their own knowledge.

### List of students in DIPLOMA IN ELEMENTARY EDUCATION (SWAYAM) – 2021-22

## A REPORT ON ADD ON COURSE ON ENVIRONMENT NATURAL RESOURCES & SUSTAINABLE DEVELOPMENT (SWAYAM) – 2021-22

A short course in Environment Natural Resources & Sustainable Development has been provided to the students from SWAYAM portal as a MOOCs course in the year 2021-22

### Objectives of the Course:

1. To provide learner an opportunity to get exposed to diverse disciplinary perspectives and concepts related to them.
2. To equip the learner to develop a holistic perspective on environment related issues.
3. To guide the learner to choose the area of specific interest for further learning.

The classes of this course are self-paced. A total number of 14 students will be benefited from the course.

### COURSE OUTCOME:

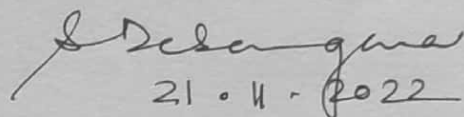

The course is mainly intended to improve the basic knowledge about natural resources and its sustainable development. The programme might be successful in achieving following outcomes:

- a) The learner will gain the basic concepts on environmental economics, energy conservation and sustainable development.
- b) They will apply the knowledge to the practical contexts like energy conservation and sustainable living.

➤ **A REPORT ON ADD ON COURSE ON ELEMENTS OF NANOTECHNOLOGY: NOVICE TO PROFESSIONAL (SWAYAM) – 2021-22**

A short course in Elements of Nanotechnology: Novice to Professional has been provided to the students from SWAYAM portal as a MOOCs course in the year 2021-22

**Objectives of the Course:**

1. To develop a critical and systematic understanding of cutting-edge technology at the forefront from Electronics to Medical Sciences, Cosmetics to Construction and Entertainment to Environment.
2. To acquire overall concepts regarding the prominence of Nanomaterials and its classification, synthesis process, different approaches.
3. To acquire basic skills of commercial applications of Nanotechnology.

The classes of this course are self-paced. A total number of 18 students will be benefited from the course.

**COURSE OUTCOME:**

The course is mainly intended to improve the knowledge on synthesis and characterization of nanomaterials. The programme might be successful in achieving following outcomes:

- a) They can be able to differentiate the Nanomaterials phenomena from bulk.
- b) They can be able to realize the physical laws applicable in Nano-range.
- c) They will be familiar with the synthesis strategy and different modern characterization techniques for nanomaterials.

## ➤ A REPORT ON SKILL ENHANCEMENT COURSE ON COMMUNICATIVE ENGLISH AND GRAMMAR– 2018-19

A course in Communicative English and Grammar introduced in the syllabus in the recommendation of the World Bank Project (OHEPEE) by Fakir Mohan University, Balasore with a view to capacity building.

### **Objectives of the Course:**

1. To improve basic English language skills.
2. To improve communication skills.
3. To provide employment opportunities to the students.
4. To prepare for different competitive examinations.

The classes were undertaken by the following faculty members of the College:

1. Dr. Debasisa Pati, Asst. Prof. of English

A total number of 108 classes were conducted from 21.6.2018 to 30.11.2018. Apart from this, some guest lecturers were also arranged. A total number of 175 students benefited from the course.

### **COURSE OUTCOME:**

The course was mainly intended to improve the Communicative skills. The programme was successful in achieving following outcomes:

- a) Improving Communicative skills
- b) Application of the understanding of sound and symbols in English language.
- c) Correct pronunciations of English language during interactive session, group discussion, debate, elocution, and seminar presentation.
- d) Improving the writing skills, such as paragraph writing, essay writing, letter drafting, e-mail, stories writing etc.

➤ **A REPORT ON SKILL ENHANCEMENT COURSE ON QUANTITATIVE ANALYSIS AND LOGICAL THINKING– 2018-19**

A course in Communicative English and Grammar introduced in the syllabus in the recommendation of the World Bank Project (OHEPEE) by Fakir Mohan University, Balasore with a view to capacity building.

**Objectives of the Course:**

1. To Critically analyse information in order to evaluate evidence.
2. To explore and apply keys concepts in logical thinking.
3. To construct reasoned arguments and communicate inferences and conclusion.
4. Use arithmetic algebraic and geometric methods to solve problems.

The classes were undertaken by the following faculty members of the College:

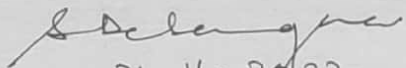

1. Dr. Prasanta Beuria, Asst. Prof. of Mathematics

A total number of 118 classes were conducted from 4.12.2018 to 30.4.2019. Apart from this, some guest lecturers were also arranged. A total number of 175 students benefited from the course.

**COURSE OUTCOME:**

The course was mainly intended to improve the Logical thinking. The programme was successful in achieving following outcomes:

- a) Use their logical thinking and analytical abilities to solve quantitative aptitude questions in different competitive examinations.
- b) Solve questions related to time and distance from different competitive tests.
- c) Understand and solve puzzle related questions in different competitive examinations.

## ➤ A REPORT ON SKILL ENHANCEMENT COURSE ON COMMUNICATIVE ENGLISH AND GRAMMAR- 2019-20

A course in Communicative English and Grammar introduced in the syllabus in the recommendation of the World Bank Project (OHEPEE) by Fakir Mohan University, Balasore with a view to capacity building.

### Objectives of the Course:

1. To improve basic English language skills.
2. To improve communication skills.
3. To provide employment opportunities to the students.
4. To prepare for different competitive examinations.

The classes were undertaken by the following faculty members of the College:

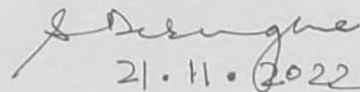

1. Dr. Debasisa Pati, Asst. Prof. of English
2. Dr. Niroj Ku. Sethi, Asst. Prof. of English

A total number of 110 classes were conducted from 22.6.19 to 28.11.2019. Apart from this, some guest lecturers were also arranged. A total number of 162 students benefited from the course.

### COURSE OUTCOME:

The course was mainly intended to improve the Communicative skills. The programme was successful in achieving following outcomes:

- a) Improving Communicative skills
- b) Application of the understanding of sound and symbols in English language.
- c) Correct pronunciations of English language during interactive session, group discussion, debate, elocution, and seminar presentation.
