

Strengthening of Post Graduate Science Departments to Elevate from Basic Research to Interdisciplinary Research

CURIE - Consolidation of University Research for Innovation & Excellence in Women Universities- Support for Women PG Colleges is an initiative of the Department of Science & Technology, (DST) under WISE-KIRAN division, to encourage STEM education and research in Women's Post Graduation Colleges of the country.

KKSWC has been granted the prestigious DST CURIE-PG 2024. The eight participating Post graduation Science departments including Departments of Botany, Zoology, Geology, Physics, Chemistry, Mathematics, Computer Science will benefit from the grant. The grant will help to further strengthen our existing science infrastructure and networking, to cater to the benefit of Academia and enhance interdisciplinary Research and industry-academia relationship.
